Notification : 006/2018

Dear Parents/Guardian,

## **P4 PLACE-BASED LEARNING (PBL) PROGRAMME – VISITS TO THE SINGAPORE ART MUSEUM at 8Q**

The Primary 4 pupils will embark on a Place-Based Learning (PBL) programme in collaboration with the Singapore Art Museum (SAM).

PBL is a signature programme that is integrated into the school curriculum across three domains i.e. English Language, Social Studies and Art. The programme seeks to hone your child's/ward's 21<sup>st</sup> century competencies and inter-disciplinary application skills through a series of visits to SAM at 8Q to view and appreciate a selection of contemporary artworks. The learning experience at SAM will then be extended in school, finally culminating in a pupils' exhibition at SAM at 8Q on 4 October 2018. These artworks will be created in response to various themes the pupils explored during their inter-disciplinary, museum-based studies at SAM at 8Q.

The following are the dates of visits scheduled for the level.
