Dear Parents/Guardian,

Primary 6 Current Affairs Reading Programme

The current affairs reading programme is for Primary 6(Std) students. This programme costs \$4.50 for 5 issues of the *Little Red Dot*, a student-focused newspaper which offers a balance of news, headlines, and edutainment articles. This offer comes with a complimentary issue of The Straits Times weekly. The schedule of all the 5 issues is included below for your reference.

Payment

If your child/ward has an Edusave Account, the school will be deducting \$4.50 from his or her Edusave Account. For students without Edusave Account, they would pay by cash/cheque. Please note that the deduction from the Edusave Account and collection of cash/cheque will be made at a later date when the school makes a one-time withdrawal/collection.

Through this programme, we aim to inculcate a positive reading habit in your child/ward and help him/her gain a deeper understanding of the issues that impact the world we live in.
