Notification: 017/2018

Dear Parents / Guardian,

School Assessment Plans and Schedules for Lower Primary Students

As shared with all parents during the Sharing cum Interaction Session by Form and Co Form Teachers, the school has refined our School Assessment plans to place greater emphasis on Formative Assessments (FAs) which will encourage our students to take greater ownership for their learning. The goal of FA is to monitor student learning to provide ongoing feedback that can be used by teachers to improve their teaching and by students to improve their learning. In MFPS, FAs are not weighted. This allows us to have greater flexibility to design alternative modes of assessment apart from pen and paper tests to best meet students' learning needs.

Although FAs are not weighted, we would like to emphasise to all parents/guardians and students, the importance of instilling the habit of regular revision in our young charges as this will help them to consolidate their learning on a daily basis.

Enclosed with this letter is a copy of the examination policy, detailed assessment plan and schedule for 2018. Please acknowledge receipt of the assessment plan and schedule for your child/ward by returning the reply slip to his/her form teacher.

For further clarifications, you may contact the Form Teacher/Co Form Teacher or Year Head.

Thank you.

Yours sincerely,

Mrs Lim-Chua Siow Ling

Principal
