Notification no: 018A/2018

Dear Parents / Guardian,

P6 Debate Enrichment Programme

The English department has organised 6 one-hour sessions of debate enrichment programme which is a continuation from the beginner's programme your child/ward has participated in 2017. This year, your child/ward will go through the intermediate programme which would allow him/her to participate in intra-class debate competitions. He/She might be selected to represent his/her class in an inter-class debate competition which will be held in Term 2. He/She will learn to prepare defending persuasive arguments and how to rebut opponent's counter arguments. Pupils' development of 21st century skills is also enhanced as they are trained to be confident speakers, active contributors of ideas and self-directed learners.

The programme will be conducted twice weekly and it will commence in week 6 of this term. The programme fee is \$45 but your child/ward is only required to pay \$20. If your child/ward is a Singapore Citizen, the amount will be deducted from his/her edusave fund, if not, he/she will have to pay cash. You will be informed of the collection at a later date when the school conducts a bulk collection for enrichment programmes. You are strongly encouraged to allow your child/ward to participate in programme as your child/ward will benefit from it.

Please return the acknowledgement slip to your child/ward's English teachers by Monday, 5 February 2018.

Thank you.

Yours sincerely,

Mrs Michelle Chan CK
