Dear Parents/Guardian,

Re: Primary 2 Pick & Tell

This term, we will be providing time for your child/ward to talk about an item which he/she is familiar with. This is a great opportunity for your child/ward to further develop his/her speaking and representing skills, as he/she shares about an item which he/she has picked from a pool of many.

The objectives of the Pick and Tell are to:

- Develop students' confidence in speaking by providing a platform for them to plan
- Present ideas to an audience.

The topic of the presentation will be determined by the item which your child/ward picks from a box provided by the teacher.

The timeline for the Pick and Tell is as follows:

Term 2	Activity
Weeks 1 - 2	- Introduction and modelling by teacher - Practice Sessions
Week 3	- Pick and Tell Presentation (Assessment)

Your child/ward will be informed by his/her English teacher when he/she is scheduled to present his/her Pick and Tell. A sample of the Pick and Tell script and the criteria for grading are attached. The English teacher of your child/ward will be guiding him/her in practising for the Pick and Tell.

We hope that through Pick and Tell, we can make the learning of English Language more interactive as pupils work on their oral skills. Thank you for supporting your child in his/her Pick and Tell.

Thank you.

Yours sincerely,

Mdm Nordiana Sani
Level Head for English
