Dear Parents/Guardian,

### **Post-PSLE Art Learning Journey to MBL THINK! CONTEMPORARY JOINT EXHIBITION AT THE NATIONAL LIBRARY BOARD (NLB)**

The Museum-Based Learning (MBL) programme is a signature programme of Mayflower Primary School. MBL is a programme that integrates 3 subjects : English Language, Social Studies and Art. It uses artwork from the Singapore Art Museum (SAM) Learning Gallery as a stimulus to create original artworks.

As a culmination of the MBL programme, Mayflower Primary School, Haig Girls' School, Geylang Methodist School (Primary), St Anthony's Primary School and CHIJ Our Lady Queen of Peace will be holding a joint exhibition of student artwork at the NLB. These artworks were created in response to various themes the students explored during their inter-disciplinary museum-based studies.

Our school has arranged for our P6 students to view the artworks at the NLB on 7 November 2022 as part of their P6 MBL programme. Through this learning journey, we aim to provide students with the opportunity to learn more about Singapore's history and how artists express their views and perspectives on contemporary issues through art.

Please refer to the programme details below:
