Date : 13 Feb 2023

Notification No: 011/2023

Dear Parents/Guardians,

Updates Regarding Safe Management Measures (SMMs) and Other Matters

1. Stand Down of SMMs

In line with the stepping down of community measures announced by the Multi-Ministry Task Force (MTF) on 9 Feb 2023 (Thu), SMMs will be stood down with effect from 13 Feb 2023 (Mon). The school will however continue to be vigilant and emphasise the importance of personal hygiene and social responsibility to all staff and students.

2. Mask-Wearing

While mask-wearing in the school setting is not required, it is still an effective way to minimise the risk of infectious disease transmission. Staff and students who prefer to continue wearing masks will be allowed to do so.

3. Unwell/COVID-19 Positive Students

Students who test positive through COVID testing (i.e. PCR+/Ag+), would not be required to produce a Medical Certificate (MC), doctor's letter or recovery memo to cover their absence. However, do submit photo evidence of the PCR+/Ag+ test result to your child's form teacher. Students should return to school if they no longer test positive, even if they still exhibit some symptoms.

4. School-Based Examination Matters (COVID-19 Related)

If students are absent from school-based Weighted Assessments or End-of-Year examinations, they are to submit either photo evidence of the PCR+/Ag+ test result taken on the day of the examination or an MC.

Thank you for your support in keeping our students safe over the past 3 years by keeping your child home whenever he / she is unwell. Please continue to inculcate good personal hygiene in your child and ensure he / she stays home when unwell.

Thank you.

Yours sincerely,

Ms Cecilia Lim
Principal
