Notification No: 013/2023

Dear parents,

In line with the “Eat with Your Family Day” (EWYFD), a nation-wide initiative led by the Centre For Fathering and supported by the Ministry of Social and Family Development (MSF) to encourage all Singaporeans to consciously set aside time to bond with their families, please be informed that school will close at 4.30pm every last Friday of the term, beginning with 10 March 2023.

School will also close early at 4.30pm in the first three days of the coming school holidays from Monday, 13 March 2023, to Wednesday, 15 March 2023.

The early closure for the abovementioned four days will not affect Student Care Centre’s operation hours.

Your support in promoting strong families in Singapore, and to make Singapore the best place for families, would be greatly appreciated.

For more information on the EWYFD initiative, please refer to <https://fathers.com.sg/ewyfd/>.

Regards,
Mr Kwok KL
