Use Your Hands Campaign

As part of the School's Values in Action (VIA) programme, all students will be involved in the 'Use Your Hands Campaign' on 12 November, Monday for Primary 6 students and 15 November, Wednesday for Primary 1 to 5 students.

The objectives of this campaign are to nurture in each student the spirit of service and to develop a sense of ownership, belonging and responsibility towards the school in alignment to our school's core value of 'Willingness to Lead and Serve' and school motto 'Service before Self'. This campaign will enable our students to exemplify the Traits of an "Empathetic Leader", through the conscious effort to show their kindness to our school support staff. They will be able to appreciate and be grateful towards the 'uncles and aunties' who have contributed to the better learning environment in school.

All students are to be in their PE attire. They are required to bring a rag each for this activity.
