2. KidZania Singapore is an international, award-winning edutainment brand and a global leader in children's hands-on edutainment through realistic role-play activities. At KidZania Singapore, students will learn about different professions through role-play in a functioning city. They will take jobs, carry out assignments, earn and spend the money. You can find out more about KidZania Singapore at <https://www.kidzania.com.sg/visitors-guide-to-kidzania-singapore/>.
